SHOW CAUSE PROCEEDING)	DOCKET NO. 98-00018
AGAINST MINIMUM RATE PRICING,)	
INC.)	

**ORDER REFLECTING ACTION TAKEN AT
MAY 4, 1999, AUTHORITY CONFERENCE**

This matter came before the Tennessee Regulatory Authority ("the Authority") pursuant to the Notice of Revocation of Certification of Minimum Rate Pricing, Inc. (the "Notice of Revocation") issued by the Authority on April 27, 1999. The Notice of Revocation reflected the action taken at the April 27, 1999, Authority Conference during which the Directors voted unanimously to revoke the certification of Minimum Rate Pricing, Inc. ("MRP") to provide intrastate long distance telecommunication services in the state of Tennessee. The Notice further directed the parties to file a joint agreement relative to an implementation plan for the purpose of transitioning MRP's existing intrastate long distance customers to new intrastate long distance service providers. The Notice stated that such agreement would be considered by the Authority at its May 4, 1999, Authority Conference. In the absence of a joint agreement, each party was permitted to file an individual plan. No joint agreement was filed by the parties.

At the May 4, 1999, Authority Conference, the Directors considered the individual plans that were filed and voted not to adopt any of the filed implementation plans. The Directors affirmed the effective date of the Notice of Revocation as April 27, 1999. The Authority will proceed to take the necessary steps to identify the customers formerly serviced by MRP to enable those customers to move to a new intrastate long distance service provider with as little disruption as possible.

IT IS THEREFORE ORDERED THAT:

1. The Notice of Revocation of Certification of Minimum Rate Pricing, Inc. issued by the Authority and effective on April 27, 1999, is hereby affirmed.
2. The Authority shall take the necessary steps to identify the intrastate long distance customers formerly serviced by Minimum Rate Pricing, Inc.
3. Any party aggrieved with the Authority's decision in this matter may file a Petition for Reconsideration with the Authority within ten (10) days from the date of this Order.
